

Our Programs

Education - Miles Ahead Advantage Program

- Literacy: Helping children read to succeed in the early stages of development from kindergarten to eighth grade.
- After school: Tutoring for low performing students in reading, math, and science to give them the confidence to compete with their class.
- Test preparation: Criterion-Referenced Competency Test (CRCT), Georgia High School Graduation Test (GHSGT), ACT and SAT test preparation.
- Financial Education: Teach children how to set financial goals, budget, building wealth, and spending wisely.

Health & Wellness – Miles Ahead Fit Club

- Help kids to become physically fit and value fitness for a lifetime through sports and recreation.
- Promote good health and reduce the effects of obesity by educating kid about diet and nutrition.

Athletics – Miles Ahead Sports

- Host camps and clinics to improve kid's basketball skills and promote player development for to compete at a competitive level.
- Provide financial support for equipment, travel, camps, lodging, and apparel.
